Questions and Answers

Q. What is the cost?

A. Membership for the 9-hole group is \$65.00. Oregon Golf Association dues of \$35.00 are included in this price. Membership in the OGA will enable you to establish a handicap and be eligible for awards at the end of our season. Regular green fees are paid the day of play.

Q. When is the 2017 season and do I need to commit to play each week?

A. The 2017 season starts on April 5 and continues through October, weather permitting.

It is not necessary to play each week. Most players sign up a week in advance. However, you can also sign up anytime during the week up to the day of play by contacting the pro shop.

Q. Are there opportunities to get help with my game?

A. Members are encouraged to use the driving range for practice. Golf clinics may be offered. Salem Golf Club has a list of pros available for lessons.
